

MERCEDES BENZ Dealership, 65" Touch Screen Visualizer

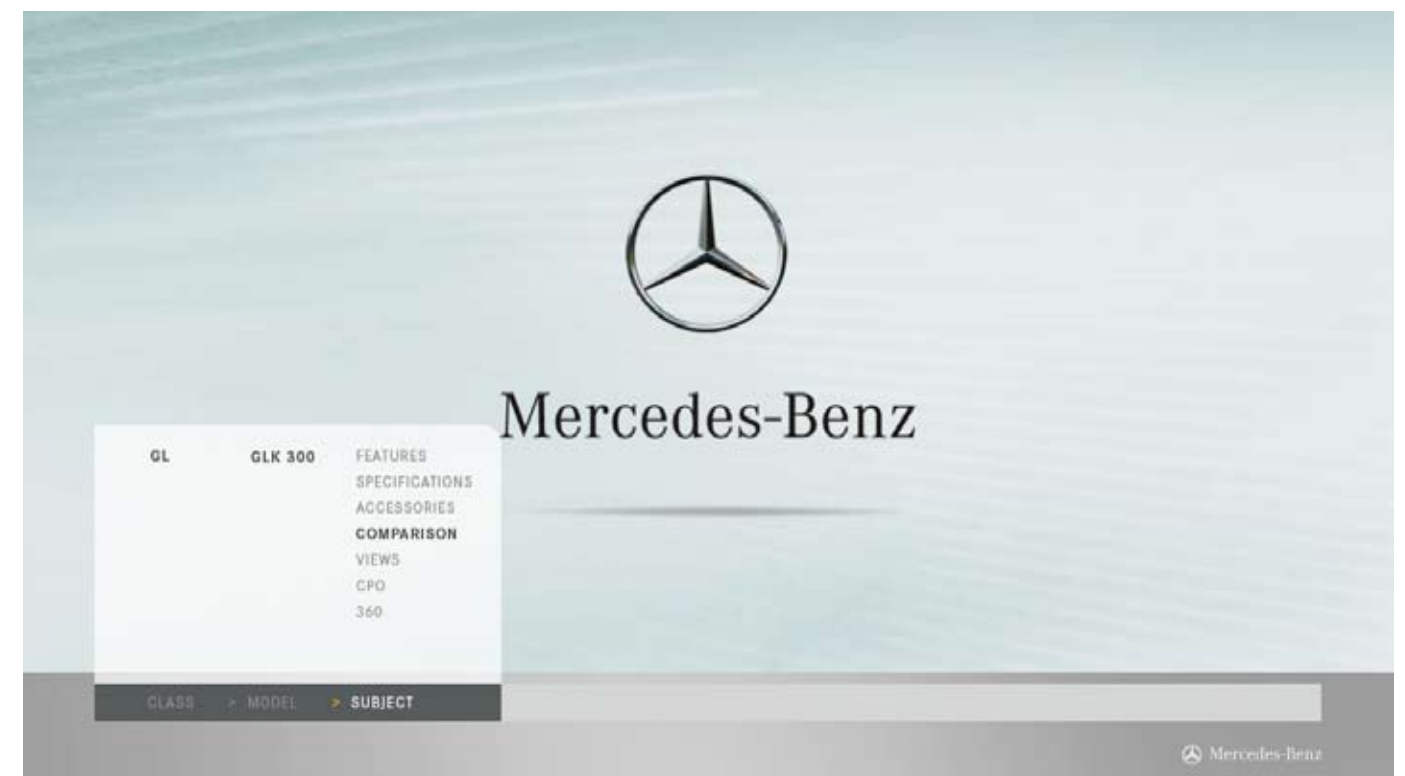

The online, 3 minute Visualizer tutorial guides the sales person through the simple navigation and content within the site.

^ Press CLASS and select class type.

^ Press MODEL and select model type.

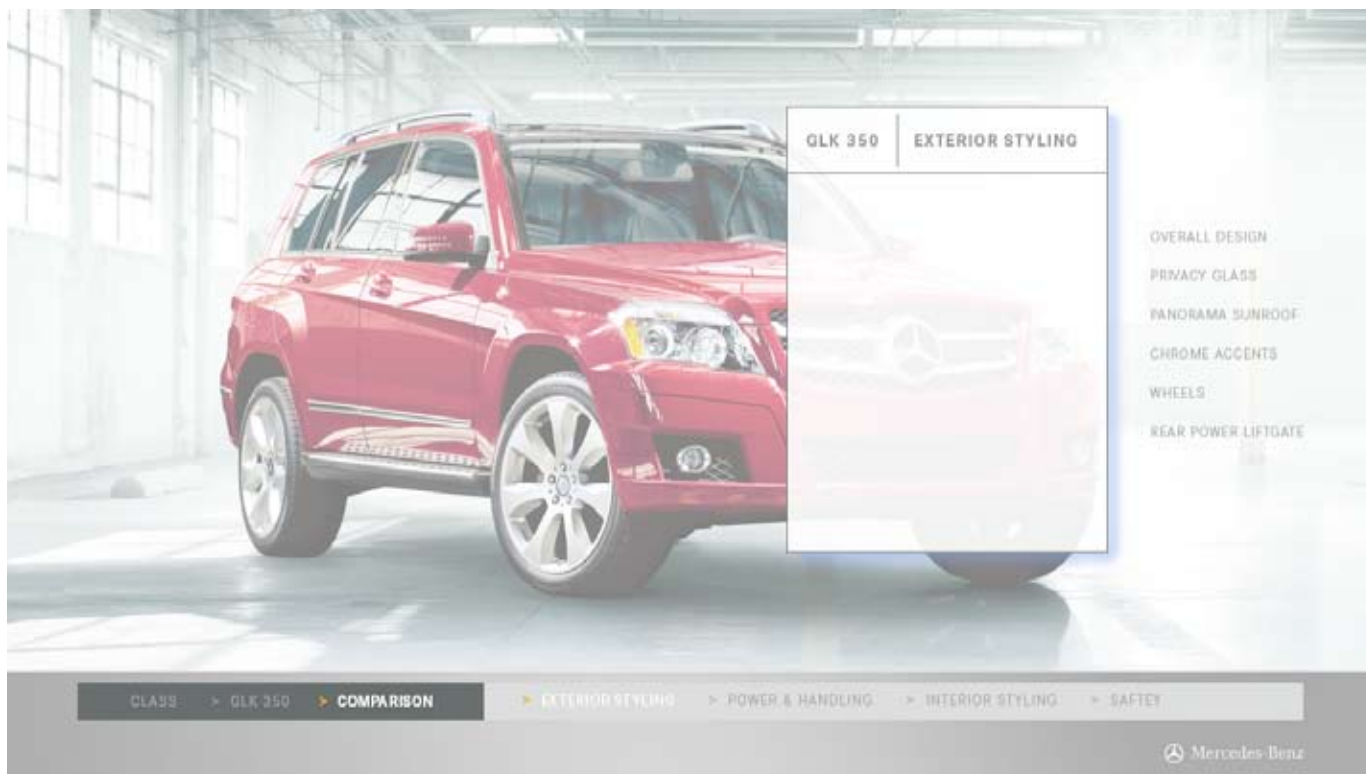

^ Press SUBJECT to select topic.

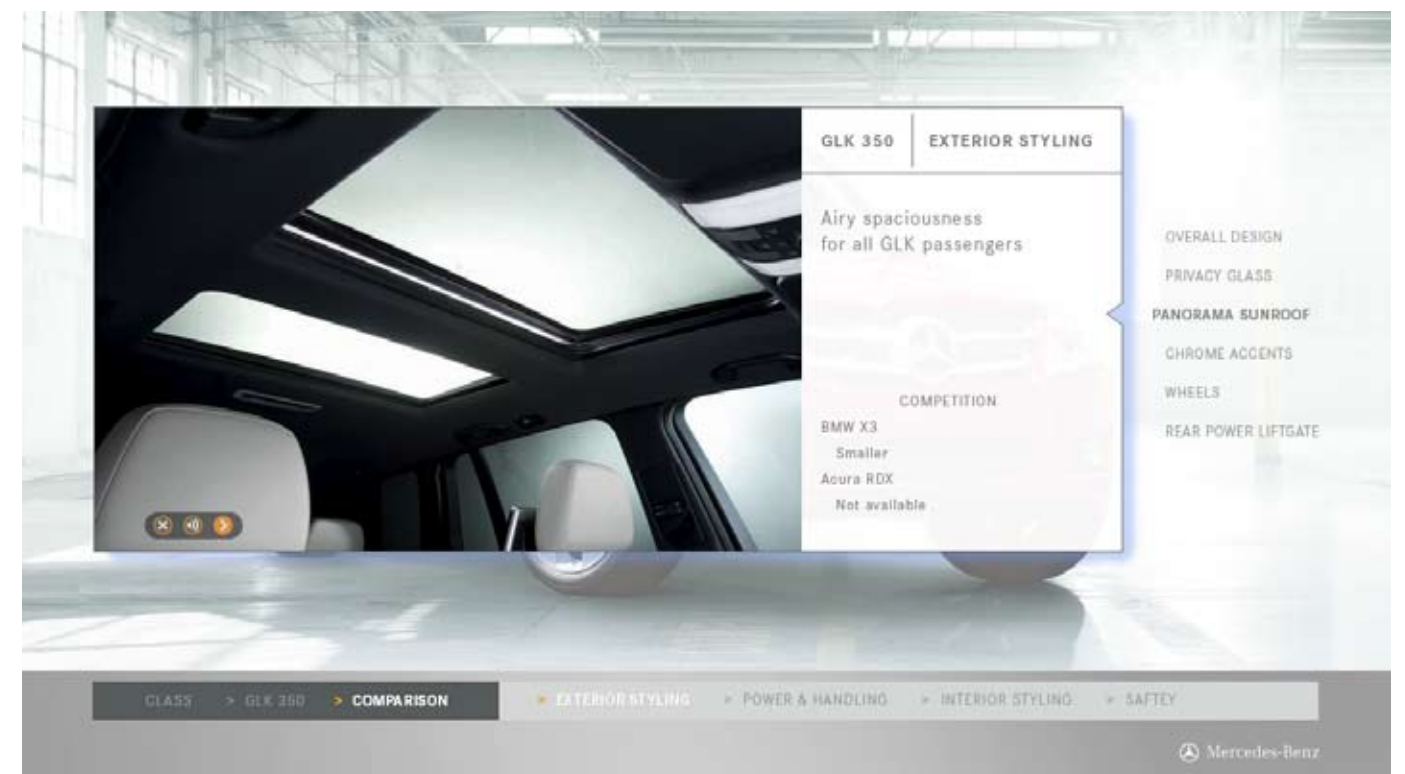

Final selections appear to the left of the nav bar and the MB badge transform into the selected model.

Sub categories of the chosen topic appear to the right.

^ Press sub category for selection.

Make final selection from the right column. Video buttons are located on the lower left corner. From here any topic is a few clicks away.
